This is a soothing and brightening formula for dry or dull skin. It gently brightens dull skin, banishes redness, and reduces skin irritation. With the unique combination of Rose Extract and Glycolic Acid, RoseRose Glycolic Skincare will transform dull, taut, and irritated skin into youthful and radiant skin. Ingredients Rose Extract from California Wild Rose Oil, (extracted from the bud of the rose flower) This Rose Extract has been found to contain the highest concentration of antioxidants of any plant source. It also contains fatty acids that naturally moisturize and soothe the skin. Glycolic Acid This gentle, yet effective, acid has the capacity to kill bacteria and fight infection. It also tightens the skin, and shrinks the pores and impurities that cause breakouts. Note The EPA and FDA have recognized RoseRose Oil as being used in skincare. It is beneficial in the prevention of acne and other types of skin problems. RoseRose contains the highest concentration of antioxidants of any plant source. How to Use Apply two to three times a day after cleansing and toning. RoseRose Glycolic Skincare is a gentle daily exfoliant that is safe for all skin types. RoseRose is a glycolic acid-based skincare product. Glycolic acids are effective at exfoliating dead skin cells and reducing acne. Glycolic acid is a natural exfoliant that has the ability to tighten and smooth the skin while also brightening dull and taut skin. This product is gentle enough for everyday use. The gentle exfoliation action helps to keep skin healthy and youthful looking. What it does It contains Glycolic Acid 82157476af
